

## **Announcement on the Passing of Professor Ilias Koussouvelis**

The Editorial Team of The Cyprus Review expresses its deep sorrow for the untimely death of Professor Elias Koussouvelis, Dean of the Faculty of Social Sciences, Humanities and Arts of the University of Macedonia and former Rector of the same University.

The late Ilias Koussouvelis was, until his death, a member of the Editorial Board of our journal. His significant contribution to the development of Cypriological research must also be mentioned. He leaves behind a unique legacy of scientific and social work.

Finally, we express our sincere condolences to his family and friends.
